

ELIZABETH TAYLOR

OBJECTIVE

To obtain a challenging position where current skills and abilities will allow growth as an integral member of an effective team or as an individual business owner.

ATTRIBUTES

As a makeup artist for the past 15 years; there is great pride in the quality of work that has been produced. Many professional and private clients seek this type of work, therefore it is provided at the highest of excellence. As a wonderful people person, there is great will and ability, to work hard for clientele. Other skills also include hairstyling (weaves and wigs included), wardrobe styling (including accessories), body artistry, nail services, eyelash extensions, set styling, and administration. Computer skills include Macintosh, Windows, Excel, Word, PowerPoint, Internet usage and intensive graphics with Photoshop.

(Experience below does not reflect the total number of assignments done.)
